

PRODUCT WARRANTY SERVICE CERTIFICATION

(Consumer Please Retain for ALL Warranty Service)

Warranty Service Certification provides for warranty service under the stated limited warranty for the product specified below for the specified warranty length outlined in the user's manual, only if it was originally purchased as a new product from an authorized reseller. This warranty certification is nontransferable.

This Warranty Certification will provide for the repair free of charge, to the original purchaser, any parts (and labor) that are found to be defective in material or workmanship within the limited warranty period of the model stated and its corresponding warranty period, as stated in the product user's manual, based upon the certified purchase date or manufacture's serial number/date code provided below.

This limited warranty does not cover the replacement of consumable parts such as carbon motor brushes, edge brushes, brushrolls, drive belts, brushes, bulbs, disposable bags, bumpers, seals, gaskets, O-rings, detents, filters, tune-up kits and other parts subject to normal wear unless they are defective in material or workmanship, unless stated in the user's manual.

This limited warranty does not apply to any parts subjected to accident, abuse, commercial use of residential models, alteration, misuse, damage caused by a fire or act of God, the use of voltages other than indicated on the serial number displayed on this product or service of this product by other than a participating Authorized Service Center

The undersigned affirm this product to have been purchased new from an authorized reseller and agree to the terms of this warranty certification. No person or representative has the authority to grant any other warranty obligation other than stated in the user manual or herein. Product Warranty Service Certification does not replace owner's limited warranty as outlined within the user's manual provided with purchase.
